Mr. David Schiller, Compliance Manager  
Kaiser Optical Systems, Inc.  
371 Parkland Plaza  
Ann Arbor, Michigan 48103

Dear Mr. Schiller:

I am pleased to inform you that your request for renewal of your Clean Corporate Citizen (C3) designation for Kaiser Optical Systems, Inc., Ann Arbor, Michigan, is approved. The Kaiser Optical Systems, Inc., facility continues to exemplify corporate environmental responsibility through its continuing commitment to maintain, protect, and enhance Michigan's environmental resources. I commend you for your continued participation in the C3 Program, and your proactive environmental efforts. As a C3, we look to you to be a model for others in your industry to emulate.

The Kaiser Optical Systems, Inc., facility has demonstrated its environmental ethic and stewardship by continuing to meet the criteria for C3 designation: the development and implementation of an environmental management system, the practice of pollution prevention, and a strong environmental compliance record. Integrating environmental factors into the daily operations at your facility has resulted in a four percent reduction in the generation of hazardous waste.

Enclosed please find a Certificate of Recognition that acknowledges your renewal status and your accomplishments as a C3. This renewal is valid until June 10, 2011, at which time it will need to be renewed. An annual report summarizing the goals and objectives of your environmental management system and pollution prevention programs, along with a compliance self-certification will be required to maintain your C3 status.

We look forward to your continued future efforts and commitment as a leader in the spectrographic instrumentation and applied holographic technology industry in protecting and enhancing our shared environment. If you have any questions concerning your designation, please contact Ms. Marcia Horan, Acting Chief, Office of Pollution Prevention and Compliance Assistance, Department of Environmental Quality (DEQ), at 517-373-9122.

Congratulations on retaining your designation as a Michigan C3.

Sincerely,

Steven E. Chester  
Director  
517-373-7917

Enclosure

Mr. David Schiller
