Subject: Breezeway in ZBA (Vinewood Blvd - Lancaster/Schmaltz)

Jon,

I write this note in support of my neighbors Blake Lancaster and Jodi Schmaltz who are appearing before the ZBA. I live directly across the street - attached is my view of their home that I see everyday. They are great neighbors and friends. I'm not sure what this issue is about or who it is helping because the breezeway has always been there - since the house was built (nearly 80 years ago). Updating the facade on the front of the enclosure (old aluminum, glass and screen) **only** makes their property and the neighborhood nicer. I strongly favor their application and request that the city grant it.

Nick
