Re: Rezoning Lower Burns Park Neighborhood Property

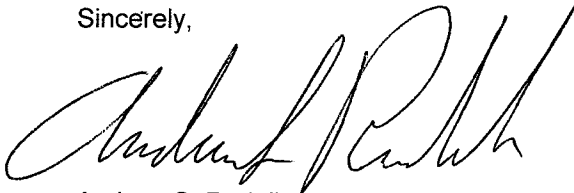

To Whom It May Concern:

As the owner of 924 Woodlawn Ave., Ann Arbor MI 48104, I wish to protest the proposed rezoning.

I have lived in the affected neighborhood for over 20 years and have enjoyed the diversity that it offers. I moved into the neighborhood as a student renter and eventually purchased my house there. Rezoning to R1D appears to me as a blatant attempt to restrict who will be able to live there. Ann Arbor has in the past supported affordable housing. Is this reality or just lip service? The proposed rezoning suggests the latter or maybe "I support affordable housing, just not in my neighborhood".

Don't fix what is not broken. Leave the zoning as it is.

Sincerely,

Andrew S. Rudnik
