October 1, 2010 to September 30, 2011

CFDA Number: 97.042 Grant Number: EMW-2011-EP-00044-S01
--

This Fiscal Year 2011 (FY 2011) Emergency Management Performance Grant (EMPG) grant agreement is hereby entered into between the Michigan Department of State Police, Emergency Management and Homeland Security Division (hereinafter called the Subgrantor), and the

CITY OF ANN ARBOR
(hereinafter called the Subgrantee)

I. Purpose

The purpose of this grant agreement is to provide federal EMPG funds to the Subgrantee for the development and maintenance of an emergency management program capable of protecting life, property, and vital infrastructure in times of disaster or emergency.

II. Objectives

The federally designated priority for the FY 2011 EMPG grant is Advancing "Whole Community" Security and Emergency Management. To address the priority, four objectives have been identified and each has been given a performance measure and associated reporting requirement to determine effectiveness in utilizing EMPG Program funding to prepare for all hazards and advance a whole community approach. Within these measures, progress toward achieving the stated objective must be evaluated in the quarterly EMPG Program report and in compliance with reporting requirements.

- A. Objective One: Approved Emergency Plans
- B. Objective Two: Completion of Threat and Hazard Identification and Risk Assessment (THIRA)
- C. Objective Three: Develop and Maintain Multi-Year Training and Exercise Plans (TEPs)
- D. Objective Four: Target Training and Verify Capability of Personnel.

Progress towards these objectives will be measured through standardized reporting requirements.

For more information on the federally designated priority and the four objectives, as well as guidance on allowable costs and program activities, please refer to the FY 2011 EMPG Guidance and Application Kit, located at http://www.fema.gov/pdf/government/grant/2011/fy11_empg_kit.pdf.

III. Statutory Authority

Funding for the FY 2011 EMPG is authorized by Section 507 of the *Department of Homeland Security Appropriations Act, 2010* (Public Law 111-83), as extended by the *Department of Defense and Full-Year Continuing Appropriations Act, 2011* (Public Law 112-10), as amended; *Implementing Recommendations of the 9/11 Commission Act of 2007* (Public Law 110-53); the *Post-Katrina Emergency Management Reform Act of 2006* (PKEMRA) (Public Law 109-295); and the *Robert T. IV. FY 2011 EMPG Award Amount and Restrictions

- A. The **CITY OF ANN ARBOR** is awarded **\$28802.00** under the FY 2011 EMPG. The Subgrantor determined the Subgrantee's EMPG allocation as 36.823212% of the Subgrantee's emergency program manager's salary and fringe benefits. Because it is dependent upon the level of federal funding for the EMPG program, the award may be reduced if the level of federal funding is decreased. The Subgrantee may receive less than the allocated amount if the Subgrantee's cost share of wages and fringe benefits paid to the program manager are less than the total allocation. The Subgrantee's EMPG program budget is documented on the "Local Budget for Emergency Management Performance Grant" (form EMD-17).
- B. This grant agreement designates EMPG funds for the administration and oversight of an approved emergency management program. **The Subgrantee may utilize grant funds for the reimbursement of salary, overtime, and associated fringe benefits for the program manager.** No other expenditures are allowed.
- C. The funds awarded in the grant agreement shall only be used to cover allowable costs that are incurred during the agreement period. Grant agreement funds shall not be used for other purposes.
- D. In FY 2011, the EMPG Program has a 50% cost match (cash or in-kind) requirement, as authorized by the *Robert T. Stafford Disaster Relief and Emergency Assistance Act* (Public Law 93-288), as amended, 42

U.S.C. 5121-5207. Specifically, Title VI, sections 611(j) and 614. Unless otherwise authorized by law, federal funds cannot be matched with other federal funds.

FEMA administers cost matching requirements in accordance with 44 CFR Part 13.24 or 2 CFR Part 215.23. To meet matching requirements, the grantee contributions must be reasonable, allowable, allocable, and necessary under the grant program and must comply with all federal requirements and regulations. FEMA administers cost match requirements in accordance with 44 CFR Part 13.24, which is located at http://www.access.gpo.gov/nara/cfr/waisidx_07/44cfrv1_07.html.

Please refer to the FY 2011 GPD Award Administration Information, located at http://www.fema.gov/pdf/government/grant/2011/fy11_empg_award.pdf, for additional match guidance to include match definitions, basic guidelines, and governing provisions.

- E. Unauthorized program expenditures include, but are not limited to, the following:
 - 1. Construction and renovation
 - 2. Hiring of public safety personnel for traditional public safety duties
 - 3. Purchase of equipment
 - 4. Maintenance and Sustainment
- F. The Subgrantee must provide its Dun and Bradstreet Date Universal Numbering System (DUNS) number to the Subgrantor upon request.
- G. FEMA has implemented additional effectiveness measures and reporting requirements. New for FY 2011, are targeted training requirements for the National Incident Management System (NIMS) and the Professional Development Series and targeted exercise requirements.

In compliance with these new requirements, additional reporting requirements will be necessary in the fourth quarter, ending September 30, 2011. Guidance for accomplishing these requirements will be provided by the Subgrantor. Further requirements will be implemented in FY 2012, with guidance provided at the time work agreements are developed.

- H. Upon request, the Subgrantee must provide to the Subgrantor information necessary to meet federal subaward reporting and executive compensation requirements.

V. Responsibilities of the Subgrantee

FY 2011 EMPG funds must supplement, not supplant, state or local funds. Federal funds will be used to supplement existing funds, and will not replace (supplant) funds that have been appropriated for the same purpose. Potential supplanting will be carefully reviewed in the application review, in subsequent monitoring, and in the audit. The Subgrantee may be required to supply documentation certifying that it did not reduce non-federal funds because of receiving federal funds. Federal funds cannot be used to replace a reduction in non-federal funds or solve budget shortfalls in general fund programs.

The Subgrantee agrees to comply with all applicable federal and state regulations, including, but not limited to the FY 2011 EMPG Grant Guidance and Application Kit, located at http://www.fema.gov/pdf/government/grant/2011/fy11_empg_kit.pdf; the FY 2011 GPD Award Administration Information, located at http://www.fema.gov/pdf/government/grant/2011/fy11_empg_award.pdf; and the Agreement Articles Applicable to Subgrantees: Fiscal Year 2011 Emergency Management Performance Grants.
