Subject: Resignation

Hi everyone,

I regret to let you know that due to the ongoing personal emergency I have been dealing with since the past month, on top of everything else that makes my schedule extremely tight, I will no longer be able to serve as a board member for the DDA. Today would be my last meetings.

Please do let me know if I can do anything to ease the transition. I appreciate all of you for the work you do.

Thank you,
Ji Hye
