Hello

After much deliberation I have concluded I will not be able to fulfill my duties as a commissioner. At this point I am stretched too thin by my other obligations. It is with a very heavy heart that determined I need to step down from my position in the ICPOC at this time.

I can't express how grateful I am to have been appointed. I hope we can work together in the future in some capacity and I look forward to seeing what the commission accomplishes moving into the future.

All the best

Nathaniel J Graulich
