Subject: 312 Glendale

To whom it may concern:

I kindly request that you postpone action on the development at 312 Glendale. It seems that the developer has not addressed any of the issues raised by council and by our neighborhood. Until these issues are adequately addressed, it seems counterproductive to discuss any plans. Please hold the developer accountable! All green space is precious for its natural beauty and vital for dealing with storm water and other environmental concerns.

Sincerely,
Marianne Zubryckyj
