Subject: 431 Highland Road

Dear Mr. Barrett,

We received a notification that our neighbors at 431 Highland Road are requesting a variance for an 8ft tall 100% opaque fence up to the front of their property line. We are unable to attend the public hearing, however wish to comment on the matter.

We are strongly opposed to this variance for the following reasons:

-it poses a sight line obstruction of traffic and a safety issue -it detracts from the aesthetics of the neighborhood -it sets a precedent that would change the aesthetic quality of our neighborhood

Please consider our opinions regarding this matter.

Sincerely,

Veronica Saint
