RE: 425 S. Main Street, Ann Arbor, MI (the "Property")

Dear Ms. Beaudry:

As the representative for the owners of the Property, KRG Investments, I would like to object to and fully protest against the impending City Council vote to rezone the Property from D-1 zoning to D-2 zoning.

Please make this a matter of public record that we oppose the rezoning and understand any impending rezoning decision will require a super majority vote.

Very truly yours,

Andrew K. Klein
Owner's Representative
