Subject: Support for Inglis House historic designation
Date: Monday, October 09, 2017 4:08:02 PM

Dear City Council Members:

Thank you for your continued interest in preserving the Inglis House. My name is Susan Inglis O'Dwyer and I'm the great-niece of Jim and Elizabeth Inglis, who built the house so many decades ago and eventually donated it to UofM in 1950. As has been previously documented when the University was listing the property for sale, many illustrious names in history have stayed there while it was part of the University. I am not an architect or home appraiser by any stretch of the imagination, but given the quality of the building, as well as its nearly 100-years-of-age and architectural beauty, as well as the beautiful gardens and landscape adjoining the Arboretum, I fully support this and am grateful to the City for allocating resources to document its qualifications for this designation.

Thank you,
Susan Inglis O'Dwyer
