

MEMORANDUM

TO: Park Advisory Commission

FROM: Colin Smith, Parks & Recreation Services Manager

DATE: May 17, 2016

SUBJECT: Resolution to Recommend the Parks Operating Budget Cover FY2016 Operating Expenses at the Ann Arbor Skatepark.

Attached for your review and action is a resolution to recommend the City Parks Operating Budget cover FY2016 operating expenses at the Ann Arbor Skatepark. The agreement between the Friends of the Ann Arbor Skatepark (Friends) and the City of Ann Arbor (City) for the Management and Operation of the Ann Arbor Skatepark includes a section that deals with the annual operational maintenance expenses. It is the responsibility of the Friends to pay all costs for the operation and maintenance of the Skatepark for the duration of the agreement; however the City may decide to contribute following a funding review process.

Work orders for FY 2016 to date for the Skatepark total approximately \$3,000.00. Expenses are related to rain garden maintenance, port-a-potty rentals, and one repair to a section of coping. Staff recommends that the City cover these expenses as it is able to be absorbed within the overall annual parks operating budget for FY2016 without neglecting other identified needs.

The Friends presently have approximately \$92,000.00 in the skatepark maintenance endowment fund for future maintenance needs and repairs. Staff believes it to be prudent to cover costs for this current fiscal year as it can be absorbed without negatively impacting other needs, thereby allowing the endowment fund to further grow and be available for future needs.
