111 **T. Berla** asked why removing the Dam is not an option in the Consent Agreement.
112
113 **S. Bahl** stated the MDNRE doesn't advocate for dam removal, and the concern was the
114 repair of the embankment.
115
116 **J. Grand** pointed out that PAC didn't request that dam removal be considered as an option.
117
118 **D. Barrett** asked S. Bahl if the embankment was safe and secure.
119
120 **S. Bahl** stated the MDNRE is not concerned with the safety of the concrete portion of the
121 Dam and staff is monitoring the embankment and that it has been stable.
122
123 **M. Anglin** asked why the Water Fund was proposed to cover some costs of the project.
124
125 **S. Bahl** stated because it had been budgeted that way – and that Council would need to
126 give direction not to do that.
127
128 **D. Barrett** inquired about the Va hydro feasibility study.
129
130 **M. Wade** responded the VA had shared their report with City staff, but that staff were not

143
144 **J. Grand** asked the Commission for discussion and to vote on the Resolution

145
146 RESOLUTION TO RECOMMEND THE SELECTION OF TSP ENVIRONMENTAL TO
147 DESIGN AND CONSTRUCT A BY-PASS CHANNEL IN THE ARGO DAMHEADRACE
148 DAMHEADRACE

149
150 Whereas, The City and the MDNRE entered into a Consent Agreement regarding Argo Dam
151 in May 2010;

152
153 Whereas, The Consent Agreement states the City shall identify and execute either toe drain
154 repairs or reconstruction of the headrace to address headrace embankment deficiencies
155 identified by the MDNRE;
156

157 Whereas, Staff issued bids for toe drain repairs and an RFP for the reconstruction of the
158 headrace embankment;

159
160 Whereas, Staff and the Selection Committee evaluated submitted bids proposals;

161
162 Whereas, Staff and the Selection Committee selected TSP Environmental to design and
163 construct a by-pass channel in the Argo Dam headrace; and

164
165 Whereas, Funding for the project is available from the Park Rehabilitation and Development
166 Millage and Water Fund.

167
168 RESOLVED, That the Parks Advisory Commission recommends the selection of TSP
169 Environmental to design and construct a by-pass channel in the Argo Dam Headrace that
170 addresses the Consent Agreement stipulations;

171
172 RESOLVED, That the Parks Advisory Commission supports the improved accessibility this
173 project will provide for boaters and trail users, while allowing for current Argo Pond uses to
174 continue; and

175
176 RESOLVED, That the Park Advisory Commission recommends that the Mayor and City
177 Council approves a contract with TSP Environmental to design and construct a by-pass
178 channel in the Argo Dam Headrace not to exceed \$988,170.

180 Prepared by: Colin Smith, Parks & Recreation Services Manager
181 Molly Wade, Water Treatment Services Manager

182
183 Submitted by: Parks & Recreation Services
184 Date: October 19, 2010

185
186 **J. Lawter** suggested an amendment to the language in the Resolution,
187 recommending the whitewater feature be added for an additional \$180,000.

188
189 **T. Berla** moved, supported by Commissioner Nystuen to discuss the
190 Resolution; in addition to also discuss the proposed amendment to the
191 language recommended by Commissioner Lawter.

192
193 **S. Offen** expressed concern regarding monies being spent for adding the
194 whitewater feature and would prefer to see monies be spent in various parks
195 where there is a greater need.

196
197 **J. Lawter** explained his reasons for suggesting the amendment pertaining to
198 the whitewater feature, also stating how this feature could possibly be an asset
199 to the City.

200
201 **J. Grand** asked why the selection committee didn't include whitewater in the
202 recommendation.

203
204 **C. Smith** explained the whitewater wasn't included as it was beyond the scope
205 and exceeded the requirements of the Consent Agreement.
