Subject: Re: [bp-owners] Notice of 9-21 Public Hearing to Re-zone land immediately north of Barclay Park

To Whom it may concern:

I am a condo owner at Barclay Way, whose property is within 100ft of the property to be rezoned in ORD-15-13. Please consider this email to be my written protest petition against the proposed rezoning.

I would also like to draw your attention that traffic at the nearby intersection of Nixon & Green is already very bad and crowded. We have to deal with that traffic jam every morning and evening. Lines of traffic can extend for over 100 yards along Nixon Street. I can't imagine what it would be like adding 282 more rental apartments adjacent to Barclay Way! Most likely, we would literally be unable to get out of the apartment entrance to Nixon Street.

I did not include my address of 2886 Barclay Way, Ann Arbor, MI 48105 I am a registered voter and my name is Clarice Sylvain. My quality of life will be directly affected if this occurs. Why do I think it's a done deal and this is an exercise in futility? Hope you will prove me wrong in this assumption.

Consider this a no vote regarding the proposed rezoning of of the property in ORD-15-13. The traffic is too heavy as it is. You will destroy the natural habitat of the beautiful birds and other animals in the green space.
