Sarah,

I wanted to reach out and mention that I am very sorry, but I won't be able to participate in the Energy Commission. Unfortunately, I have a conflict that I cannot get out of. It is bad planning on my part, and I apologize for that.

Sorry for any inconvenience. Please let me know if there are any steps I need to follow to resign from the position officially.

Thank you,
Moksha

I signed the oath digitally and look forward to attending the meetings in the future. I want to flag that I haven't heard from anyone regarding the position since the email. Also, can someone forward me the zoom invite for the future?
