<b>PROPOSED CITY PLANNING COMMISSION MOTION</b>
The Ann Arbor City Planning Commission hereby recommends that the Mayor and City Council approve the Westerman Annexation and R4C (Multiple-Family Dwelling District) Zoning.

## HISTORY AND PLANNING BACKGROUND

The parcel was platted in Ann Arbor Township. The existing two-story home was constructed in 1950. The current South Area Plan recommends multiple-family use for this site.

### COMMENTS PENDING, DISMISSED OR UNRESOLVED

Systems Planning – The petitioner desires to connect to utilities prior to the completion of annexation, has entered in the required outside City service agreement, and has paid in full the fixed sanitary sewer and water main improvement charges. Once the property has annexed, if the property has not yet connected to the City water main and sanitary sewer systems, the City will notify the owner that these connections will need to be completed within the subsequent 90 days.

Planning – Staff supports the proposed zoning because it is consistent with the surrounding land uses and the recommendations of the South Area Plan.
