COUNCILMEMBER TEALL

Councilmember Teall thanked City staff and the public who were involved in the production of the Festifools and Fool Moon events over the weekend. She stated that Sherry Brown, one of the organizers, wanted her to thank staff for their assistance, including with the street closures. The events were a great success, she said.

MC COMMUNICATIONS FROM THE MAYOR

Mayor Hieftje said that he co-hosted a Renewable Energy Conservation Conference on March 31, 2014, along with the University of Michigan. It was held at the University of Michigan Business School and was very well attended with people coming in from all around the country.

Mayor Hieftje reported on the numerous activities and community events from the past weekend. He noted that in addition to the Festifools events, the City hosted the UM Spring Football game, a charity run at Michigan Stadium, as well as the annual Hash Bash. Mayor Hieftje also noted that President Obama was in Ann Arbor last week. All of these events were well run and well organized, said the Mayor.

Mayor Hieftje followed up on comments made by the City Administrator regarding the Delonis Center and its efforts to find shelter and warmth for all this winter. Mayor Hieftje noted that when originally constructed, the shelter was only designed to house 75 beds. That number was exceeded many times this winter, he said, to keep up with the demand from the public. Mayor Hieftje also commented on the fact that many of the users of the shelter, nearly 45%, are not County residents. In the coming months and years, Mayor Hieftje stated that the County and the Shelter need to decide if they are a regional center or if some other plan for regional help needs to be configured.
