Dear Governor Snyder:

Re: **City of Ann Arbor – proposed charter amendment**
Section 8.19 – authorizes the renewal of an existing millage of 1.10 mills for park maintenance and park capital improvements for the period from 2013 through 2018

You have referred to this office for examination the proposed charter amendment adopted by resolution of the Ann Arbor City Council at its meeting held on August 9, 2012.

I have examined the proposed amendment in light of the Home Rule City Act (HRCA), 1909 PA 279, MCL 117.1 *et seq.*, and conclude that the amendment is consistent with the HRCA.

The Attorney General has a separate responsibility to review the proposed ballot language for compliance with the requirements of Section 21 of the HRCA. I have examined the ballot language for the proposed amendment as set forth in the City Council's resolution, and conclude that the ballot language conforms to the requirements of Section 21 of the HRCA.

Very truly yours,
