Dear Ms. Beaudry:

As part of Comcast's commitment to keep you informed about important developments that affect our customers in your community, I am writing to notify you of channel change, effective August 12, 2009. Customers will be notified of this change by a postcard with the following information.

Comcast's carriage agreement with Middle East Broadcasting Corporation for **MBC Europe** (channel 686) has expired. Despite our best efforts, we have been unable to reach an agreement with Middle East Broadcasting Corporation and will therefore no longer carry MBC Europe. We are sorry for any inconvenience this may cause. We continue to seek additional international programming for our customers.

The following channels are available:

MBN TV (ch. 667) – Available with a subscription to Digital Classic, MBN TV offers a full range of programs catering to the Middle Eastern community.

ART (ch. 684) – A premium channel Arabic-language television network providing a unique blend of live and recorded shows including family oriented dramas, series, plays, sports programs, music videos and documentaries.

Please direct any customer calls about Comcast products, services and prices to 1-888-COMCAST. Our Customer Account Executives are available 24 hours a day, 7 days a week. As always, feel free to contact me directly at 734-254-1888 with any questions you may have.

Sincerely,
