Good morning Sarah. I think after the June 27th meeting is best so that I can transition my tasks and facilitate that working session. Thank you! Frances

Dear Chair Carter,

I am writing to submit my resignation as a volunteer Commissioner on ICPOC due to a job change. I am starting a new job and it is their practice that employees not hold political appointed positions. In respect of that practice, I have decided to step down from the commission. As we discussed, I will facilitate the June session, complete several tasks I am currently working on and complete a document with the status of other items to be provided to you.

I appreciate the opportunity and wish the Commission the best of luck moving forward.

Best regards,

Frances Todoro-Hargreaves
