

Transportation Commission

An Exercise with the Six “E”s: Education, Enforcement, Engineering, Encouragement, Evaluation, and Equity

An opportunity for community input and increased awareness on these six components to transportation planning.

Outcome/Deliverables

One or two commissioners per “E” will note the following in a brief report or memo for later approval and/or action by the Commission:

- Commission discussion and insights.
- Recommended action steps for each “E”.
- Considerations related to the Transportation Plan Update process.
- Outstanding questions and/or follow-up requests.

The Six “E” Reports will be provided to the Transportation Master Plan Update – Advisory Committee for use throughout the Plan development process.

Format

- Staff will provide a background presentation on the Six “E”s.
- Staff presentation could be supplemented by additional subject matter experts and/or community members.
- Transportation Commission discussion of each “E”.

Timeline

- Presentation and Commission discussion: March 20
- Commission Action on “E” reports: April 17
