

# Greenbelt Advisory Commission

November 7, 2013

# Overview of Partnerships

- Since 2005, the Greenbelt has completed 40 projects.
- Of those projects, the Greenbelt has partnered with local governments on 22 projects:
  - 17 projects with Townships
  - 3 projects with Township and County
  - 2 projects with County

# Overview of Partnerships

- Leveraged funding from other local governments
  - \$4.3 million from Townships
  - \$3.5 million from County
  - Equates to 20% of value of all projects completed to date

# County Partnership

- County – City Structure
  - County purchases fee title to property
  - County owns and manages
  - Greenbelt contributes acquisition funds
- County – Township – City Structure
  - County purchases fee title to property
  - Township purchases conservation easement
  - City contributes to conservation easement
    - Divestment interests in easement

# Township Partnership

- Township – City Structure
  - Most projects have included USDA FRPP funds
    - 50% from FRPP; 25% City; 25% Township
  - 10 projects – Township lead and monitors easements
