**Subject:** Support of SouthTown Project

Dear Planning Commissioners,

Thank you for your service in helping us bring more housing into our community. I am writing in support of the SouthTown project as proposed for its contribution to our neighborhood and benefits to the community.

As our community faces an ongoing housing crisis, it is imperative that we take proactive steps to meet the housing needs for our current and future neighbors. The proposed housing development will contribute significantly to addressing this challenge by increasing the availability of housing options while improving the neighborhood infrastructure to support our affordable housing projects in our community.

I firmly believe that this housing development aligns with the best interests of our community. It strikes a crucial balance between meeting our housing demands, promoting sustainability, and fostering economic growth. The project represents an opportunity to enhance the quality of life for current and future residents while ensuring responsible development practices.

I urge you to support and approve this project. Your endorsement of this project will demonstrate a commitment to the well-being of our residents and the long-term vitality of our community.

Thank You.

--

All the best,

**Aidan Sova**
