To Whom this May Concern:

This is Brett M. Hutcheon - Housing Coordinator at Jewish Family Services of Washtenaw County. I have recently taken on this new role here at JFS - working in the realm of Refugee Resettlement - during a time of massive expansion here at JFS. As such, I am seeking any opportunities there might exist for finding new partnerships for housing, in terms of folks I can share with, and receive such leads on potential landlords who might be willing to rent to refugee families. These families typically do not have much of any established credit scores here in the U.S. nor do they have any sort of rental history whatsoever - due to the fact that they only been stateside for several months at best.

If you might be willing to speak more - whether in person or over the phone, I would be happy to setup a good date/time that might work for you to so do.

Thank you for your time!

Best,

**Brett M. Hutcheon (he/him/his)**
