Dear City Council members and administrators:

Please find attached a Letter of Support (LOS) from my tobacco coalition based in the Traverse City area regarding your proposed smoke-free (SF) air outdoor policy proposal, on tonight's meeting agenda.

Additionally, I attached a summary list of places with outdoor tobacco use policies around Michigan, and the Leelanau County public property tobacco-free ordinance (which includes the court building and jail facility).

Feel free to contact me today if you have any questions or would like any more information. I will not be able to attend tonight's meeting.

Thank you for your time and consideration,
