March 6, 2023

Mayor Taylor
Council Persons
Administrator Dohoney:

This email communication and its attached are being provided to you on behalf of the Board of Directors and resident petitioners of Earhart Village Homes Association (EVHA). As I believe you are already aware, this office represents the interests of EVHA relative to its administrative and operational processes, with the law firm Pentiuik, Couvreur & Kobiljak, Randall Pentiuik, Esq., representing the legal interests of EVHA.

Attached you will find the following:

EVHA letter dated March 3, 2023 signed by President Ross.
EHVA Board Resolution for Opposition to Earhart Road 2023 Project and Proposed Alternative Plan
Petition signatures of 100 EVHA residents (to date) objecting to the construction of a sidewalk parallel to Earhart Road

We are already on record in writing, at the Transportation Commission, and at the Planning Commission relative to the objections being placed on the record.

In addition, President Ross and I specifically request a meeting with each of the three of you, mostly likely via Zoom by President Ross and in-person by me and perhaps other members of the EVHA Board of Directors, to discuss EVHA's objections to the construction of the sidewalk, to present wet-signature Petitions if required, and discuss alternative solutions for achieving the objective goals of all parties. At such time, please know that additional Petition signatures will be submitted, as residents are continuing to sign Petition pages.

Please consider this electronic filing of the Petitions to be concurrent with request to speak at the March 6th Council Meeting, as if the Petitions were submitted in person.

Please advise if the submission of wet-signature Petitions are necessary to legitimize the Petition.

Please advise of a schedule when we can meet.

In advance, we all thank you for your attention and look forward to your response.
