To whom it may concern,

I and my family are neighbors to 2117 Brockman. We live at 2121 Brockman. We understand that a small section of the addition on 2117 Brockman is out of zoning compliance. We want it to be known that we have inspected the addition and are in complete support of it in its current form. It is an improvement to the home, the neighborhood, as well as our property. We hope you approve the variance.

Sincerely,

Eli and Brooke Boddy

Brett, Jon,

I'm writing to express my support for the variance on the next door neighbor's house. I received the notice of the public hearing and have reviewed the details. I live at 2121 Brockman Blvd and see no issues from our end on the project being completed as written. I will be happy to join the hearing, if necessary to express my support.

If you have any questions, please let me know.
