Hi Missy and friends - Although I've enjoyed both the work and team/colleagues of the AA Environmental Commission, I agree my expertise and networks will be more useful to the AA Energy Commission, and our efforts to fight climate change. Thus, I am ok resigning from the Environmental Commission in order to be considered for the Energy Commission.

Thanks, Peck

Hi Peck –

When you have a moment, can you send a note to the group on this email indicating you are okay resigning from the Environmental Commission (if you are), and being considered for the Energy Commission? We have identified you as someone we'd like to invite to join the Energy Commission and will move that forward on our end. We just need a note of resignation from the Environmental Commission to move that forward. Thanks so much!

Great, Peck needs to send an email stating that he is resigning from the Environmental Commission to both myself and Robert.

Hi Missy,  
Chris Frost wants to know if Jonathan will serve on both the Energy Commission and the Environmental Commission or if he will resign from the Environmental Commission. Please advise.  
Thanks,  
Christine
