Hi Sara,

Wondering if you have any insight or could help me with this – I've sent a few emails to both Kelly Beattie and the City Clerk email over the past few months but haven't heard back. Do you have any suggestions on how I can check to see if this isn't getting through to due to spam or another issue?

Best,
Mike

Hi Kelly,

I reached out to both you and the clerk's office email address in September, October, and November regarding a few new trustee nominations to the Ann Arbor Summer Festival board that will need to be placed on a future council agenda. I didn't hear back, but I'm guessing that my messages may have been lost amidst the lead up to the election.

In accordance with our bylaws, I'm sharing these names for council's consideration:

Eric Helber

Taryn Willis

I should note that given the fact that we didn't receive a response, these people have already begun serving, however, we submitting these names once again to follow the established process.

Wishing you all the best.

Mike
