Subject: invitation to oil presentation tonight

Dear Members of the Ann Arbor Planning Commission,

We'd like to invite you to attend the presentation we're sponsoring tonight from 7:30-9:30 at the Scio Township Hall on Zeeb Road, featuring Christopher Grobbel, Ph.D., environmental consultant and former DEQ official. He'll be speaking on the risks of oil and gas development, and local solutions. A flyer about the presentation is attached.

We hope you can attend! You can also continue to stay in touch with what our group is doing by going to our website or FB and twitter feeds.

Thanks, and hope to see you tonight.

Sincerely,

Laura Robinson
