We (Michener and Strickland), the owners of the historic home at 1622 Pontiac trail, support the request of Thomas Bray and Jeri Hollister for a variance to have a new curb cut and driveway on Amherst while keeping the existing curb cut on Chandler. This is a sensible request.

We have been in our home on Pontiac Trail for 29 years. We support our neighbors as they work to improve their homes. This request is especially sensible since 801 Amherst is a corner lot with sufficient space for both driveways.
