Hello Brenda.

I am writing in regard to the request filed by the owners of 912 Daniel St. to alter a structure on their property.

I would like to say that I fully support this requested change. Chris and Trudy (the owners) have a lovely house, and I'm sure that any changes they wish to make would only help to make our street even more beautiful. Thank you for taking the time to read this email.

Sincerely,

Christine O'Connor
