INDUSTRIAL FACILITIES EXEMPTION APPLICATION  
ANN ARBOR INDUSTRIAL DEVELOPMENT DISTRICT 2006-020

AFFIDAVIT OF FEES

STATE OF MICHIGAN        )  
  ss.  
COUNTY OF WASHTENAW )

Public Act 198 of 1974, as amended by Public Act 323 of 1996, specifically limits the amount of an exemption certificate application fee which may be charged by a unit of local government to not more than the actual cost of processing the application or two percent (2%) of total property taxes abated during the term that the exemption certificate is in effect, whichever is less. Act 198, as amended, specifically prohibits units of local government from charging exemption certificate applicants any other fee or payment of any kind or nature, whether they be referred to as "fees," "payments in lieu of taxes," "donations," or any other like term. To ensure compliance with Act 198, as amended, we, the undersigned, hereby certify the following:

No payment of any kind in excess of the fee allowed by Act 198, as amended, has been made or promised in exchange for favorable consideration of an exemption certificate application.

We understand that if the State Tax Commission determines after an exemption certificate has been issued that a payment of any kind in excess of the fee allowed by Act 198, as amended, has been made or promised, the State Tax Commission shall revoke the exemption certificate and may pursue other appropriate sanctions against the parties.

Under penalties of perjury, we declare that we have examined this Certification and to the best of our knowledge and belief it is true, correct and complete.
