**Subject:** Plymouth road UMCU

Hello,

My name is Nathaniel Steiner and I am a father of 2 living on prairie street where the proposed UMCU on Plymouth road and prairie is located. I am emailing to ask that you not reconsider UMCU's proposal on Tuesday. Their plan does not align with the A2 zero initiative, and there are already so many single story banks on Plymouth road. Not to mention this bank will no longer be waling accessible to a bus route for its patrons, so they will not be required to drive. We do not need more banks on our end of town, we need something more vibrant for the community. Thank you.
