Dear Mr. Schnepf:

Thank you for submitting the 2022 City of Ann Arbor Hazard Mitigation Plan Update for our review. The plan was reviewed based on the local plan criteria contained in 44 CFR Part 201, as authorized by the Disaster Mitigation Act of 2000. The plan met the required criteria for a single-jurisdiction hazard mitigation plan. Formal approval of this plan is contingent upon the adoption by the participating jurisdiction of this plan. Once FEMA Region 5 receives documentation of adoption from the participating jurisdiction, we will send a letter of official approval to your office.

We look forward to receiving the adoption documentation and completing the approval process for the 2022 City of Ann Arbor Hazard Mitigation Plan Update.

If there are any questions from either you or the communities, please contact Lorena Reyes, at (202) 805-6352 or email at Lorena.reyes@fema.dhs.gov.
