### **Commissioner Communications and Liaison Reports**

There will not be time on the agenda this month for Commissioner Communications and Liaison Reports. If you have updates to share, send these to [kcoleman@a2gov.org](mailto:kcoleman@a2gov.org).

One liaison report has already been received: [2019 Traffic Crash Report & 2015-2019 5-Year Crash Trends for Washtenaw County](#) – provided by Councilmember Briggs Council liaison on the WATS Policy Committee

These topics will be addressed at the joint Transportation Commission and Planning Commission April 20 meeting at 7:00 p.m.:

### **Ann Arbor Moving Together Towards Vision Zero - City of Ann Arbor Comprehensive Transportation Plan**

There will be a final presentation of the A2 Moving Together Towards Vision Zero Transportation Plan, highlighting any recent changes and updates that have been made as a result of the jurisdictional review period.

[Background materials](#) include the draft Transportation Plan Update, associated appendices, and a summary of comments received and action resulting from the formal public review process initiated in January, 2021.

The Commission will consider the following action: The Ann Arbor Transportation Commission recommends that the City Planning Commission and City Council adopt The Ann Arbor Moving Together Towards Vision Zero – City of Ann Arbor Comprehensive Transportation Plan as an element of the City of Ann Arbor Master Plan, and repeals the previous documents that this update replaces:

- The Ann Arbor Transportation Plan – 2009
- The Non-Motorized Transportation Plan – 2007 and Update 2013

### **Healthy Streets**

There will be a brief staff presentation/update about the draft, proposed Healthy Streets design plans and results of the public survey process. [Background materials](#) are available, please review in advance. The Healthy Streets Committee has discussed the plans in detail, and will report out at the meeting with their recommendation.

The Commission will consider the following action:

The Transportation Commission recommends that City Council approve the 'Resolution to award contract to (Contractor) for the 2021 Healthy Streets Deployment; and to Appropriate \$265,000 (estimate) from the Major Street Fund Operations and

Maintenance Budget and \$35,000 (estimate) from the Minor Street Fund Operations and Maintenance Budget.'

Note: City Council action is required for this work because of the need to appropriate budget. The work being done through the Healthy Streets Program does not, itself, require Council action. The proposed Transportation Commission motion is modeled after City Council's role in Healthy Street Program approval.
