RE: Power Pack

VALIDITY: Price firm for 30 days

Emily,

We are pleased to offer the quotation for the Power Pack for your R&B Filter Press as requested.

| <u>ITEM</u> | <u>QTY</u> | <u>DESCRIPTION</u> | <u>PRICE EACH</u> | <u>TOTAL PRICE</u> |
|-------------|------------|--|-------------------|--------------------|
| 1 | 2 | Filter Press Hydraulic Power Pack. The solenoid valves are 24 V DC and the motor is 10hp. The units are supplied with Hawe components and designed to fit on the existing concrete pads. Excluding: Onsite services, electrical control, connections to the cylinder and hydraulic oil. | \$25,620.00 | \$51,240.00 |

Thank you for the opportunity to serve you and please let us know if we can be of further assistance.

Best regards,

Charlie Lovelace
