Hi Sarah-

It's with a heavy heart that I share news that I'm departing for Minneapolis for a couple years. My partner has chosen to do her postdoctoral work at UofM (the other one) so I'm following. I feel immense gratitude for being included on the board and lucky enough to chair for a time. What an experience.

I assume I'll need to discontinue my involvement as a result. I am happy to stay on as long as the board needs. I regret having to resign, HHSAB has been incredibly illuminating. I really loved my time here and hope to reapply in whatever capacity upon returning to the area in a few years.

I appreciate you and your work. -Sky
