

### Connecting Communities Pre-Proposal Form

Complete and submit the following form, along with a map, by **5:00 PM on June 30**. Only approved pre-proposal forms on file will be eligible for 2019 funding consideration.

*Project Title:* Treeline Urban Trail

---

*Funding Type (check all that apply):*  
 Feasibility/engineering study       Engineering       Construction

\$ 50,000      \$ 70,000  
*Amount Being Requested*      *Estimated Total Project Costs (if known)*

---

*Project Description:* The Treeline is a proposed urban trail that will provide safe, non-motorized travel through the core of the city and that will connect with the countywide Border-to-Border (B2B) trail. The Connecting Communities grant funds would be used to engage a consultant in a preliminary engineering study to determine the best crossing from Argo Pond to city-owned property, 721 N. Main. This segment is a key connector to the B2B trail and the Treeline's most complicated road crossing.

---

0.5 miles      Argo Pond to 721 N. Main  
*Approximate Project Length*      *Proposed Starting & End Points (attach map)*

---

City of Ann Arbor  
*Community Name and Address*

---

Heather Seyfarth      Planner/Community Engagement Specialist  
*Project Manager Name*      *Title*

---

(734) 794-6430 ext. 42590      hseyfarth@a2gov.org  
*Telephone*      *Email*

---

      Howard S. Lazarus, City Administrator      5/31/19  
*Authorized Signature*      *Print Name & Title*      *Date*

Submit pre-proposal form to: [macydak@washtenaw.org](mailto:macydak@washtenaw.org). You will be contacted by July 10 to set-up a pre-application meeting. Communities will then be notified if their pre-proposal has been selected for full proposal submission.
