Subject: East Ann and Detroit Street

My name is David Kennedy and I reside at 218 North Division Street. I am writing about ZBA23-0027 (331 E Ann) and ZBA23-0026 (526 Detroit).

I personally know the owner Ryan Pantaleo and can vouch for his work in our neighborhood. He has worked directly with Jill and received HDC approval and therefore, I'm certainly in support of these projects. I'd like to thank him for working on our behalf to restore these blighted properties in the OFW while adding much needed housing/beds to our community.

Thanks for your time, -David
