Ann Arbor City Clerk

I am writing about the former Centennial Farm property located at 2875 Packard Road. I live at 2755 Carmel Street which is directly behind the parcel that is being requested to be rezoned from R1E to a PUD. I strongly object to the rezoning amendment No. OR19-30 Weber Zoning to be considered at a public hearing on Oct. 7, 2019.

This project has been problematic from the start.
