Jon, I write here in support of my neighbors, Blake and Jodi Lancaster, who are in front of the ZBA tonight. I live on Devonshire, very close to their house and walk/drive by almost daily. I visit the Lancaster's home frequently. My kids play in their yard. They are very outgoing and friendly neighbors. The breezeway at issue in the hearing tonight has always been there. Enclosing it would have no impact whatsoever on their neighbors, their own parcel, or the neighborhood at large. I strongly favor their application and request that the city grant it.

Please let me know if you have any questions or would like to speak to me at all about this.

Respectfully,

Larry Margolis
