Subject: Housing Abundance Now!

Hello Commissioners,

Please do not create a new Residential subcategory with a 3-unit maximum. Instead, keep the Residential category undivided without unit limits. We are in a housing crisis, and we need to maintain flexibility in the future if we hope to make this an Ann Arbor for All.

I have lived in Washtenaw County my entire life. Many of my friends moved away after college and are unable to return because of the lack of reasonably priced housing. With the median home price over \$500k, who can afford to live here?

If small apartment buildings were allowed in residential neighborhoods, we could welcome neighbors into our city that would make it shine: teachers, small business owners, service workers. They deserve to live here, too.

Allowing more types of housing throughout Ann Arbor is crucially important and every delay has real impacts. Please don't add further limits on what housing we allow.

Thank you,
