Matt,

This is a monitored email account with items forwarded to the Commission. Not aware of a firm called Yandex. Is there a specific issue that we can frame for the Commission's information?

Thanks

Hi -- I'm writing a story about Yandex's operation worldwide following events in Ukraine.

Is Yandex still operating in Ann Arbor, and allowed to do so?

Will Ann Arbor's Transportation Commission be making any changes in light of recent events?

My deadline is 2:35 pm ET.
