Subject: City of Ann Arbor - Notice of Intent to Plan – Comprehensive Plan

To Whom It May Concern:

The City of Ann Arbor Planning Commission is in the process of developing a new comprehensive plan. In accordance with the Michigan Planning Enabling Act (the “Act”), we are notifying you of these efforts so you may follow the progress. The City Planning Commission authorized this notice on

\_\_\_\_\_.

The comprehensive plan will replace numerous existing policy documents, including the Natural Features Master Plan, Downtown Plan, Land Use Element, Sustainability Framework, and the South State Street Corridor Plan. It will provide a vision for the future, as well as an overview of implementation actions to achieve the stated vision.

The City will post materials, reports, maps, and plan drafts on the project website (<http://plan.a2gov.org/plan24>) as they become available. Paper or digital copies of these materials will also be available by request. Please contact Brett Lenart, Planning Manager at (734) 794-6000, x42606 or [blenart@a2gov.org](mailto:blenart@a2gov.org) if you have any questions.

We anticipate this plan will be complete in late 2024. The City will notify you once a final draft is available. This will be done by providing you with a link to a website where you may review the proposed plan. If you would prefer to receive a paper copy of the draft plan element, please notify Administrative Assistant Mia Gale at (734) 794-6000 x42665 or [rgale@a2gov.org](mailto:rgale@a2gov.org).

Thank you for your interest and commitment to planning. We look forward to coordinating with you on this project and others of mutual concern.

Sincerely,

Donnell Wyche, Secretary  
City of Ann Arbor Planning Commission
