### Report on the Audit of the Financial Statements

#### Opinion

We have audited the financial statements of West Arbor Limited Dividend Housing Association Limited Partnership, which comprise the balance sheet as of December 31, 2025 and 2024, and the related statements of operations, changes in partners' equity, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the financial position of West Arbor Limited Dividend Housing Association Limited Partnership, as of December 31, 2025 and 2024, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of West Arbor Limited Dividend Housing Association Limited Partnership, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about West Arbor Limited Dividend Housing Association Limited Partnership's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

#### Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of West Arbor Limited Dividend Housing Association Limited Partnership's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about West Arbor Limited Dividend Housing Association Limited Partnership's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Housing Association Limited Partnership  
Notes to the Financial Statements  
December 31, 2025 and 2024**

---

**Note 1 – Nature of Business**

West Arbor Limited Dividend Housing Association Limited Partnership (the "Partnership") was formed as a limited partnership to develop real property located in Ann Arbor, Michigan and to rehabilitate, own, maintain, and operate the property as a 46-unit multifamily apartment complex known as West Arbor Apartments (the "Project"). Partnership operations commenced on August 27, 2015 in accordance with the amended and restated agreement of limited partnership. The Project participates in the HUD Rental Assistance Demonstration (RAD) program and 31 units of the Project have project-based voucher units under the HUD Rental Assistance Demonstration (RAD) program, while the remaining 15 units of the Project have project-based voucher units under the HUD Section 8 program. The units were substantially complete and considered placed in service between December 21, 2016 and February 28, 2017. The Partnership shall continue in existence until July 1, 2114, unless the Partnership is sooner dissolved in accordance with the partnership agreement. The Partnership has qualified for and been allocated low-income housing tax credits pursuant to Internal Revenue Service Code Section 42.

The Partnership purchased the buildings of the Project under a long-term arrangement. Under the terms of the agreement, an upfront payment was due within the partial first year and payments of \$1 are due annually through December 31, 2116. The seller has a revisionary interest in the property after the Partnership makes its final payment in 2116.

**Note 2 – Summary of Significant Accounting Policies**

**Basis of Accounting**

The Partnership maintains its accounting records and prepares its financial statements on an accrual basis, which is in accordance with accounting principles generally accepted in the United States of America.

**Classification**

The financial affairs of the Partnership do not generally involve a business cycle since the realization of assets and the liquidation of liabilities are usually dependent on the Partnership's circumstances. Accordingly, the classification of current assets and current liabilities is not considered appropriate and has been omitted from the balance sheet.

**Cash Equivalents**

For the statement of cash flows, all unrestricted investments with original maturities of three months or less are cash equivalents.

**Tenant Accounts Receivable**

Tenant accounts receivable are stated at net rent amounts. The Partnership considers any tenant accounts receivable to be fully collectible; accordingly, no allowance for credit losses is required. If amounts are determined to be uncollectible, they are charged to operations at that time.

**Tax Credit Fees and Compliance Fees**

Prepaid tax credit fees are amortized over the compliance period beginning in 2017. Amortization expense for the tax credit and compliance fees was \$5,001 and \$5,001 for the years ended December 31, 2025 and 2024, respectively, and estimated amortization is approximately \$5,000 for each of the next five years. Accumulated amortization as of December 31, 2025 and 2024 was \$44,172 and \$39,172, respectively.

Housing Association Limited Partnership  
Notes to the Financial Statements  
December 31, 2025 and 2024**

---

**Property and Equipment**

Land, building, and other depreciable assets are recorded at cost, less accumulated depreciation computed as follows:

	<u>Years</u>	<u>Method</u>
Buildings and improvements	20 - 40	Straight line
Furniture and fixtures	5 - 10	Straight line

Improvements over \$5,000 are capitalized, while expenditures for maintenance and repairs are charged to expense when incurred. Rebates received on capitalized assets are recognized by reducing the cost of the asset by the amount of the rebate received.

**Impairment of Assets**

The Partnership recognizes impairment of long-lived assets used in operations when indicators of impairment are present and the undiscounted cash flows estimated to be generated by those assets are less than the assets' carrying amount. No impairment of the Partnership's rental property has occurred.

**Revenue Recognition**

The Partnership's primary revenue stream is rent charges for residential units under leases with durations of one year or less. The Partnership records revenue for such leases at gross potential rent as prescribed by HUD. The rental value of vacancies and other concessions are stated separately to present net rental income on the accrual basis. Subsidy revenue for low-income eligible tenants is provided under a project rental assistance contract. This contract requires tenants to contribute a portion of the contract rent based on formulas prescribed by the Department of Housing and Urban Development (HUD). The difference from the calculated subsidy and the contract rent is paid by the tenant.

The Partnership believes that such both rental and subsidy income streams are exempted from compliance with ASC 606 due to their inclusion under current lease standards. Revenue streams subject to ASC 606 include: tenant reimbursement of consumption – based costs paid by the Partnership on behalf of the tenant, such as utilities and other monthly fees. Additional revenue includes laundry, vending, pet and parking fees as well as damages. Such fees are ancillary to the lease process and are recognized as revenue at the point in time such fees are incurred.

**Governmental Assistance**

The Partnership has accounted for the proceeds from the grants by analogy to International Accounting Standard ("IAS 20"), *Accounting for Government Grants and Disclosure of Government Assistance*, and its principles surrounding the recognition of grants related to income. Recognition of proceeds related to grants is on a systematic and rational basis when it becomes probable that the Partnership has complied with the terms and conditions of the grant and in the period in which the corresponding costs related to the grant are recognized. Grants received based on a capital expenditure are recognized by reducing the cost of the asset by the amount of the grant.

**Debt Issuance Costs**

Debt issuance costs, net of accumulated amortization are reported as a direct reduction from the face amount of the mortgage and note payables to which such costs related. Amortization of debt issuance costs is reported as a component of interest expense and is computed using an imputed interest rate on the related loan.

---

**Income Taxes**

The Partnership is treated as a partnership for federal income tax purposes. Consequently, federal income taxes are not payable or provided for by the Partnership. Partners are taxed individually on their pro-rata ownership share of the Partnership's earnings. The Partnership's net income or loss is allocated among the members in accordance with the Partnership's operating agreement.

**Partner Allocation of Profits and Losses**

Profits or losses from operations of the Partnership are allocated annually between the general partners and the limited partners at 0.009 percent and 99.991 percent, respectively.

**Low-income Housing Tax Credits**

The Partnership has qualified for and has been allocated low-income housing tax credits pursuant to Internal Revenue Code Section 42 (Section 42), which regulates the use of the Project's units as to occupant eligibility and unit gross rent, among other requirements. The Project's units must meet the provisions of these regulations during each of 15 consecutive years in order for the Partnership to remain qualified to receive the credits. The Partnership has also executed a Regulatory Agreement, which requires the utilization of the Project pursuant to Section 42 for a minimum of 30 years, even if disposition of the Project by the Partnership occurs.

**Concentration of Credit Risk**

The Partnership is required to disclose concentration of credit risk regardless of the degree of such risk. Financial instruments that potentially subject the Partnership to concentration of credit risk consist principally of cash. The Partnership places its cash with FDIC insured financial institutions. Although such balances may exceed the federally insured limits at certain times during the year, they are, in the opinion of management, subject to minimal risk. At December 31, 2025, the Partnership had deposits with financial institutions of \$81,544 that were uncollateralized and uninsured by FDIC insurance.

**Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Subsequent Events**

Management has evaluated subsequent events through February 12, 2026, which is the date the financial statements were available to be issued.

**Note 3 – Cash and Restricted Cash**

The following table provides a reconciliation of cash and restricted cash reported that sum to the total in the statements of cash flows as of December 31:
