

Transportation Commission CIP Committee

December 14, 2018

Meeting attendees:

Transportation Commissioners – Linda Diane Feldt, Cyrus Naheedy, Bradley Parsons

City Staff – Kayla Coleman, Nick Hutchinson

- Washington Bicycle Blvd. – Seems far out. Can this be moved up to be completed sooner? Why is this project at this location in the CIP? Staff will follow-up and provide more information.
- Discussion about DDA projects in overall active transportation funding. Bradley will give this additional thought and may frame a question to staff.
- Interest in a future conceptual discussion about parking. Including DDA and getDowntown. Kayla and Linda Diane to discuss this as a future Commission Work Plan item.
- Interest in opportunities to pair traffic calming improvements with the Local Street Resurfacing Program.
- Staff will provide the Committee with an updated CIP document when available.
- Discussion of upcoming CIP projects the Committee may be interested in adding to the FY19-20 request list. Cyrus will prepare a draft request list, to be finalized at the March CIP Committee meeting, and then presented to the Transportation Commission for action.
