Glenn, thanks for your comments tonight during the council meeting re: unarmed crisis response. I agree with you that the city should not duplicate services that are already available.

I think also it would be a fantastic idea to educate the community about the existing services that Washtenaw CMH and it's county millage funded CARES program which has been a boon to the existence of folks with chronic and intermittent serious mental illness.

Part of that education would include the fact that the CMH Crisis line you shared, 734-544-3050, is **not** interchangeable with 911. Just want to make sure that is clear, because your comments tonight seemed to indicate that it was interchangeable.

Would like to chat with you more about your concerns over zoom or phone or whatever works best for you.

Thanks again as always for your advocacy and work on behalf of some of the most vulnerable members of our community.

Greg

Subject: Proposed Amendment to C-2

Greetings,

I intend to bring forward the following resolution to C-2. The amendment would do two things:

1. Strike the language about the rain gardens.
2. Add the following language: "All impervious surface between 700 Tappan Ave. and Monroe St. shall be removed."

I look forward to seeing everyone soon.

Best,
Julie
