Subject: Support for the Comprehensive Land Use Plan

Dear Planning Commission,

I'm writing to express my strong support for the Comprehensive Land Use Plan. While I won't be able to attend the City Council meeting tomorrow, I want to make sure my voice is counted in support of this important effort.

I fully support the ways in which this plan aims to make Ann Arbor a more **diverse, walkable, and accessible** place to live. As someone who plans to be here for a long time, I love this city—and I want to see it become even better for *more* people, not just those who can already afford to live here.

Please know that despite the loud opposition you may hear, many local residents like me are excited about this vision and deeply appreciate the work that's gone into it. We need a plan that supports housing, transportation, and livability for current and future generations—and this plan does exactly that.

Thank you again for your dedication and leadership. **#ProgressThePlan!**

Warmly,

Julie Cruz

Ann Arbor Resident
