RE: Lump Sum Bid for Procurement of Stuffing Boxes

Dear Ariana,

This proposal will provide the lump sum cost for the procurement of the four (4) Stuffing Boxes for the Flocculation 4/5 Gallery Improvements project. The equipment and pricing is listed as follows:

4 only    E&I Corporation Stuffing Boxes – Type 316L SS  
             Stuffing Box Housing and Wall Sleeve – Type 316L SS  
             UHMW Lantern Ring and Neoprene Gasket  
             Packing Material – 1/2" Braided Garlock w/ Graphite Lubricated  
             Bronze Packing Gland Halves  
             Hardware – Type 316 SS  
             Anchor Bolts – Type 316 SS

Equipment Cost: **\$41,419.00** including Freight to Ann Arbor & Service.  
Field Service: Deduct **\$1,250.00** if Manufacturer's Field Service is not required.  
Shipment: 16 weeks after approval or notice to proceed

The purchase order should be issued to Waterworks Systems & Equipment, Inc. Sales tax is not included in the equipment cost.

Please let us know if you have any questions on this proposal or the equipment offered.

Thank you,

Chuck Kronk
