Subject: proposed daycare at Westport and Morningside

To the planning committee:

I am a longtime (25 yrs) resident of the Crescents neighborhood, and a frequent pedestrian in the area (walk to/from work every day).

I encourage you to support the proposed daycare at Westport and Morningside. Additional childcare options are greatly needed!

It would be helpful if you would outline specific safety procedures that the daycare owners should follow. It also may be helpful to indicate if there is (or can be) a plan to monitor the area for any unintended negative consequences (e.g., increased frequency of speeding) and to implement corrective measures (e.g., traffic calming strategies) if problems do arise.

Thanks!
